

Manchester by Sea
Wednesday

Dear Mary I was so glad to
get your letter last night when
I got here. We were lucky
in getting in at six and catching
the Manchester train at six
twenty. But our trunks haven't
got along yet and all things
considered I think that I
shall put off going home
~~to~~ until tomorrow. It is lovely
here this morning and I am

Not so sorry that I can't
for lack of clean clothes, "
go to town. I shall work
on my proofs & take
things easy. We had a
lovely little bit of a visit
to Mrs. Hunt - I shall
tell you all my news
when I get home. Love
to Lucy Sarah

I am waited for by
John when I thought
there was time to write.
